

JOINT VENTURES, PARTNERSHIPS, STRATEGIC ALLIANCES, AND LLCs

Williams & Connolly LLP has represented individuals and business entities in a wide range of matters involving joint ventures, limited liability companies, general and limited partnerships, and strategic alliances.

Whether the issues are simple or complex, we guide our clients into the best form of business for their particular circumstances. For example, the firm represented a major defense contractor in negotiating a significant international telecommunications venture. And we represented one individual entrepreneur in a series of joint ventures with companies such as Olympia & York, MTM Enterprises, Hershey Company, Sony Corporation, Viacom, and AT&T.

We have assisted individuals and businesses in restructuring existing joint ventures and partnerships and in resolving related disputes. We have guided partnerships, including law firms and real estate ventures, in converting from general partnerships to more modern forms such as LLPs or LLCs as appropriate.
