

Williams & Connolly Among Top Three Contributors to The Making Justice Real Campaign for D.C. Legal Aid

August 2020

As part of the Legal Aid Society of the District of Columbia's Making Justice Real Campaign, Williams & Connolly attorneys and staff contributed more than \$165,000 to support essential legal services in the city, breaking its own record by \$25,000 and becoming just the third firm ever to raise that much. Overall, the Making Justice Real Campaign raised \$3.1 million for D.C. Legal Aid, shattering its goal to raise \$2.5 million, even amidst the COVID-19 pandemic. Each year, Legal Aid helps thousands of D.C. residents in need of legal assistance who cannot afford a lawyer.

Special thanks to the firm's Generous Associates Campaign Committee for spearheading this effort: **Sarah O'Connor**, **Seth Bowers**, **Shauna Kramer**, **Noah Weiss**, **Wendy Zupac**, **Yifan Wang**, **Michael Mestitz**, and **Paul Ream**.
