

# Dane Butswinkas Named to Law360's Inaugural List of Trial Aces

July 2015

Dane H. Butswinkas has been named one of *Law360*'s 2015 "Trial Aces," an inaugural list recognizing the top 50 trial attorneys in the country. The winners were selected based on the number of high-stakes trials they've worked on, the role they played at trial and the trial outcome. According to *Law360*, those selected are "champions in the courtroom, leaders in their law firms and heroes to their clients. They're the lawyers to call when losing is not an option."

*Law360* will publish individual profiles highlighting the trial victories and accomplishments of each honoree.
