

Paul Boehm and Ashley Hardin Named to *Law360*'s 2016 List of Rising Stars

April 2016

In April 2016, *Law360* published [an article](#) about “Rising Star” Paul Boehm highlighting his work managing cases and litigating matters involving complex litigation on behalf of major multinational corporations. According to the publication, Paul’s “ability to master complicated scientific information and craft it into a compelling narrative to present to a jury, representing clients such as Merck & Co. Inc., has earned him a spot on *Law360*’s list of top trial attorneys under the age of 40.”

Law360 also published [an article](#) about “Rising Star” Ashley Hardin in April 2016 highlighting her litigation victories and achievements that helped her earn a place on their list as one of the top six health care attorneys under the age 40. According to the publication, “such victories are among the reasons Hardin is a sought-after expert about trends in False Claims Act cases.”
