

Inside Views: The Current And Future Scope Of IPR Estoppel

April 2017

David Berl and **Chris Suarez** co-authored "[Inside Views: The Current And Future Scope Of IPR Estoppel](#)" published by *Intellectual Property Watch* on April 4, 2017. The article explores the America Invents Act estoppel provision, 35 U.S.C. 315(e), and how it has become and will continue to be a critical and frequently contested issue for litigants.
