

# Ashley Hardin Moderates Panel at 2019 Qui Tam Conference

**February 2019**

On February 28, 2019, partner **Ashley Hardin** moderated a panel at the 2019 Qui Tam Conference hosted by the Federal Bar Association's Qui Tam Section. The panel, "Statistical Sampling and Algorithms," discussed statistical sampling methods used to analyze claims under the False Claims Act. The two-day event tackled some of the hottest topics in False Claims Act litigation, with panels featuring government prosecutors, agency representatives, and subject-matter experts.
