

# Partner Liam Montgomery Speaks on Panel Titled “Emerging Contaminants: A Trial Lawyers’ Discussion”

October 2019

On November 14, 2019, partner [Liam Montgomery](#) joined speakers on a panel titled “Emerging Contaminants: A Trial Lawyer’s Discussion” as part of the American Law Institute’s annual CLE course on Environmental Litigation. The panel discussed emerging contaminants with an eye toward trial strategy and management, existing and forthcoming standards, pre-trial proceedings, and multi-district litigation and bellwether cases.
